Distributor information

Advantage Ductless Mini-Split Heat Pump

Newly designed Advantage Series technology delivers high performance from the moment it's activated. This high efficiency, 15 SEER rated ductless system can be installed at home, at the office, or anywhere in between. And its competitive price makes it a consumer favorite that's tough to beat.

The MrCool Advantage

Description

The MRCOOL Advantage condenser and wall mounted air handler is an ideal combination of superior product quality, energy efficiency, quiet operation, and financial value. The condenser incorporates a high performance compressor with eco-friendly, chlorine-free R-410A refrigerant.

The MRCOOL Advantage is the clear choice for consumers who want to combine superior interior comfort with environmentally friendly technology.

Standard Features

✔ System Features

- R-410A environmentally friendly refrigerant.
- High-efficiency compressor.
- Totally enclosed, permanently lubricated condenser fan motor.
- Compact design of outdoor unit.
- Convenient for installation and maintenance.
- Service valves with sweat connections and easy-access gauge ports.
- ETL Certification and AHRI Listed.

✔ Special Features

- Auto Restart
- Sleep Mode
- Louver Position Memory
- Gold Fin Anti-Corrosion

Product Specification
